Dear Sir:

In response to the Notice of Allowability mailed March 23, 2009, Applicants herein request correction of the Notice of Allowability and a supplemental Notice of Allowability be issued.

Priority under 35 U.S.C. §119 was acknowledged and copies of the certified copies of the priority documents were noted as being received in the office communication mailed June 12, 2008. The Notice of Allowability mailed March 23, 2009 does not acknowledge the claim to priority under 35 U.S.C. §119. Applicants respectfully requests a supplemental Notice of Allowability acknowledging the claim to priority under 35 U.S.C. §119.

In the event that copies of the priority documents have not been received, Applicants request the USPTO to retrieve an electronic copy of each of the following foreign applications from the Japanese Patent Office:

<u>Participating Office</u>	<u>Application No.</u>	<u>Filing Date</u>
JPO	2003-282037	July 29, 2003
JPO	2004-202931	July 9, 2004

In the event that the Examiner finds remaining impediment to a prompt allowance of this application that may be clarified through a telephone interview, or which may be overcome by an Examiner's Amendment, the Examiner is requested to contact the undersigned attorney.

Dated this 5th day of June 2009.

Respectfully submitted,
